**TUITION:**

Family tuition is calculated as full for the oldest student and add subsequent tuition rates for each additional student(s) in the family. The family tuition ceiling for any Northside family is \$1,200.00 per month, which does not include the Fundraising Fee. The tuition will be set up on an eleven or ten month plan. \*Families paying in full (August or September) will receive a 5% discount on total tuition.

**ACTIVITY FEE:**

Fees for the student activities such as band, art, sports, field trips, mission trips are posted, and are beyond tuition costs.

**FUNDRAISING FEE:**

Each family (K-12) is required to participate in activities which provide the necessary funds to fill the gap which occurs between tuition income and the actual cost of educating each student.. The Fundraising Fee is \$300.00 per student or pay the equivalent.

**SPONSORING CHURCH DISCOUNT:**

A discount of \$250.00 for the year will be given to those students whose families are active, tithing members of Way of the Lord. This discount is granted to Way of the Lord members as the sponsoring church. A Pastor's Verification form must accompany the family application to receive the discount. Those families from other churches are invited to apply to their own churches for a subsidy for their child's tuition.
