2011 - Wrapping up the Year

Northside has experienced the favor of the Lord this year. We are grateful for each student and family, safety, provision, academic challenge, spiritual growth, obstacles, prayers, volunteers and the list goes on and on! What a productive year!

Specifically I would like to rehearse a few highlights that 'blow' by us in the speed of the year's activities:

1. Most important, NCS does not take God's presence and work for granted. We acknowledge God from the Board, Pre-School to High School and everywhere in between. **We also know there is a spiritual 'war' for the next generation for which Northside exists.**
2. Our school Education Team made the decision to hire Nicole Hale as a part-time teacher, determined that God did not give direction for a '2nd' fundraiser in the spring, decided to advance technology by 'hard wiring', graciously donated computers and contracting with TADS to upgrade registration and payment process and to initiate High School. These significant decisions have been made diligently with research and prayer and have reaped rewards.
3. Our amazing teaching staff continues to remain intact. What a committed group of amazing Christian educators!
4. We made a final decision not to go to Mexico for a mission trip due to on-going border violence. The 7th – 8th graders had a stellar time at Camp Forest Springs on a winter education outing led by Mr. Enns and Miss Hale.
5. High School has been initiated with six anxious students who are doing great. The desire is to train academically equipped disciples, who will function like Deborah, Esther, David and Timothy in their generation.

We could talk about our Helping Hand Serve-a-thon and many other things, but suffice to say, we have worked at our core values and depended upon God for wisdom in every area. God being our Helper, there will be new adventures next year.

Affectionately and gratefully I thank each volunteer for every plate of spaghetti made, each car – pool trip and desk fixed, etc. **THANK YOU!**

Have a great summer, **draw near to God** – in these serious days we need to be **awake** and **alive** to God. Parents, God is with you, even when you are weary.

Tell others about Christ and if friends are interested in Christian Education and Pre-school send them our way.

Sincerely, with love,
Pastor David Reid
