GROWING KIDS GOD'S WAY

You are invited to a Growing Kids God's Way class hosted by Wade and Kathleen Scheil. We've taught this class many years and have always been so blessed by what we've learned. It really helped us in our parenting so we kept coming back for more! This is an 18 week course but we'll discuss Thanksgiving and Christmas breaks with the class. It will be held at our house and each couple will need to find their own child care so you can actually make a date night out of it! **The cost will be about \$45.00** which will cover the cost of the two books and shipping.
